

MOZAMBIQUE

A DREAM FOR TOMORROW

Provide children with disabilities in Mozambique a more dignified life, free from social stigma

Carlos, one of the guests of Obra Dom Orione Institute

Duration:	July 2023 – June 2024
Location:	Maputo, Mozambique
Beneficiaries:	40 children with severe disabilities
Partner:	Obra Dom Orione Institute
Area of intervention:	Ability in the infrastructure
Budget:	CHF 88'900

SwissABILITY supports the work of the “Obra Dom Orione Institute”, which has been caring for numerous children with spasticity, disabilities, and severe mobility and brain issues since 2009.

The Obra Dom Orione is the only institute in the Maputo Province that shelters disabled children who have been abandoned by their families. The centre does not have sufficient personnel, infrastructure and equipment to cover the numerous needs of the centre.

SwissABILITY will respond to these urgent needs, through:

- Construction of an incinerator.
- Paving of the outdoor space.
- Purchase of a vehicle adapted to transport children in wheelchairs.
- Purchase of an industrial washing machine.
- Purchase of a new dental chair.
